TOWN

Corinaldo offers visitors a view of an impressive historical town centre, rich in important baroque and neoclassical monuments.

The medieval and renaissance urban circuit fascinates with its mighty walls. It is possible to admire the grandeur of the town's structure from the outside or to visit it from the inside, walking freely along old routes and climbing ancient fortified arches to enjoy a unique view: gentle rolling hills crowned by an elegant mountainous profile to the south-west.

TOURISM

Hospitality and tipicality

Corinaldo welcomes you through a diversified accommodation service, such as hotels, bed and breakfasts, farmhouses and apartments, widespread on the local territory.

As part of the "Friendly Municipality of Itinerant Tourism", the town also offers tourists in camper-vans a comfortable and quiet stop in free equipped areas. The one sited in *Via Pecciamiglio* definitely stands out. The visitor is also welcome at the IAT-Tourist Information Point, next to the *Tipica* showcase. The office, located in the very heart of the old town centre, is the ideal departing point to start discovering the *borgo*.

ART

and culture

Once you reach the IAT office, the tour to *Luoghi della Cultura* (Places of Culture) can begin: a historic and artistic circuit of five cultural sites. Museums can be visited using a pass with scheduled opening times. Along the way numerous ancient and valuable churches can be admired: the Sanctuary of St. Maria Goretti, the church named after the saint born in Corinaldo, is of particular interest.

The *Luoghi della Cultura* circuit includes:

- "Carlo Goldoni" Municipal Theatre
- "Bojani" Collection of Modern and Contemporary Art Pottery
- "Claudio Ridolfi" Civic Art Gallery
- Museum of Local Costumes and Traditions
- Santa Maria in Portuno Archaeological site

From June 1st to September 8th openings are as follows:

Monday to Saturday 17:00-19:00 / Sundays 10:00-12:00 and 17:00-19:00

The pass to access all five museums is € 2.50 per person and is available at the IAT office.

Admission to Places of Culture is free for children under 14.

The profit will be entirely used to restore local public works of art.

EMERALD HILLS AND SAPPHIRE SEA

Leaving the old town, the visit can be extended in the surrounding area. In fact, there are many cycle-pedestrian paths crossing the countryside that allow you to discover unique sites along the way, such as the birthplace of St. Maria Goretti, the Patregnani's Old Mill, as well as to visit one of the many farms producing excellent local products.
