

User regulations for camper vans in Coricamper parking area

- The camper van spaces are intended for tourists staying for no longer than 48 hours with their own camper vans. Caravan or tents are not allowed (transgressors will be subject to sanctions and exhorted to leave).
- The use of water is allowed only for hygienic/health care and alimentary purposes. Pipes must not obstruct people and vehicles movement, nor threaten their safety.
- It is strictly forbidden: digging holes in the ground, lighting up fires (outside the specifically equipped areas), uprooting grass, stripping and cutting down trees, removing or damaging whatever material or object belonging to the municipality.
- It is also strictly forbidden to wash and hang out the laundry outside the vehicles.
- Pets and animals must be supervised in order to avoid inconveniences or damages to things or persons; you must keep your dog on the leash and pick up excrements.
- It is mandatory to clean the water unloading area right after using it.
- The electrical supply reaches a maximum of 1KW: it is forbidden to connect to more than one plug, even if nobody else is using it.

Every violations of this regulations implies a sanction from 25 euros to 500 euros. In case of damage, the person that caused it will have to repair it on his own expenses or reimburse the cost.
